Solstice circle dance

Map & directions

From the **Wyche Cutting** take the road **towards West Malvern** (northwards). Go **past Royal Well Court** on the right - the old buildings refurbished as flats. A **hundred yards** or so later **fork right** to the car park above Hayslad spout. Shortly after there's **another fork** with a track going up to the right with a gate: It is suggested you **fork left here and park** a few yards further along.

Then **walk up the track** which forked **to the right** around the gate. The track leads up to the narrow entrance to the West of England quarry (50yds). Walk up the slope on the right just before the quarry entrance. The dancing will take place on the flat area at the top of the bank.
